ABOUT US

The Physics and Astronomy Club of IIT Delhi is a student-run organization dedicated to promoting the study of astrophysics. Our club organizes events like guest lectures, hackathons, cosmo-convos and stargazing sessions to help students learn about the cosmos and develop their interest in space-tech.

WHY PAC?

- ◆ IIT Delhi Brand : Providing locations closer to business hubs.
- ◆ Global Brand Promotion : Outreach to 40,000 strong alumni networks across the globe.
- ◆ Diverse Marketing Survey : Consumer sampling and market preferences at one place.
- ◆ Optimum ROI : with visibility across myriad of sectors across nations.

Having an Asteroid named after yours sounds cool right? Want to name one? 🚀

Greetings, cosmic explorers! PAC X SPACE Foundation is thrilled to announce the opening of registrations for Phase II of the All India Asteroid Search Campaign 2023!

As a part of the workshop, Basics of Data Analysis would be taught to you and following up, you'll be expected to use any method you prefer to look for asteroids in the provided dataset. Isn't it great opportunity to explore data analysis field if you're new to it?

Calling all interested students to participate in this stellar event that promises to be an astronomical journey like no other! 🌟

Register now and become a part of this cosmic journey!

Note : ECAs will be provided to diligent participants & Design credits would involve a subjective consideration of your output and hardwork

"Sometimes while gazing at the night's sky, I imagine stars looking down making wishes on the brightest of us."

Physics and astronomy club IIT Delhi brings to you 'View of Zenith' an event from Tryst2022 in association with GRAPHITE GTC

Get ready to get your astronomy hats on as you spend hours under the nightsky , observing, researching, and learning about these big hot balls of gases located lightyears away.

The event will be conducted over a period of 2 days.15-16 April from 10 PM - 1 AM. IIT Delhi welcomes you to all to gather and learn the secrets of this universe

Cosmicon 2023

Indian Institute of Technology (IIT), Delhi

Indian Institute of Technology, Delhi |

Let's see, what Cosmicon 2023 is all about?

Do you wonder what lies amidst the beauty of the starry sky, or do your eyes glimmer on the very thought of natural astronomical phenomena?

To all astrophile and budding physicists, Physics and Astronomy Club and Tryst, IIT Delhi present Cosmicon' 23, an Astronomy fest being conducted for the very first time where we'll be exploring the frontiers of astrophysics and astronomy through competitions, workshops, keynotes, movie screenings, and more! Mark your calendars for 9th-12th February 2023 and get ready for an exhilarating adventure to the cosmos and beyond!
